8 The successful contractor shall bind himself to abide by the departmental rules and specifications in force and shall execute the necessary *mutchalika* within seven days from the date of intimation of acceptance of his tender, failing which, his tender will be cancelled unconditionally and his earnest money will be forfeited.

9 Each tender should be accompanied by a receipt towards earnest money paid in cash at the Chief Electrical Engineer's Office, Bangalore.

10 The final acceptance of the tender will rest with the competent authority. The estimate and plan will be available for perusal of intending tenderers and any further particulars required will be had at the Office of the Executive Engineer, Electrical Division, High Grounds, Bangalore-1, on all working days during office hours.

11 The Department is not bound to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any.

12 The cost as per current rate of cement and steel or value at the controlled rates at the time of execution will be recovered from the bills in case they are supplied departmentally. The materials can be had from the nearest departmental stores. An additional 15 per cent on cost of the materials supplied from the Department will be charged as centage.

13 Reserve and earnest money deposits will be repaid only at the time of settlement of final bill.

14 Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

15 The term "specification" mentioned either in the schedule or in the estimate in the notified items would mean "Specific" items of work to be done according to the instructions of the Civil Engineering Department with reference to design, calculations, etc., furnished during execution and no higher rates than tendered ones will be paid.

16 The department does not undertake the responsibility to supply lorries to the contractors.

17 Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

18 The works should not be sub-let.

19 The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarries, and bags and necessary precautions from flood damages. No extra amount will be paid for any of the above items.

20 The contractor should furnish an income-tax clearance and sales-tax clearance certificates along with the tender as per rules.

21 The contractor will, as far as practicable, recruit the personnel required by him through the nearest employment exchange in the region.

22 The contractor should furnish the tender in duplicate only and should there be any difference in rates between the original and duplicate, the lowest of the two only will be considered.
